Permit Update

Recognising the difficult and unprecedented times we are all in, Dublin Airport, has again, deferred the permit payment until further notice, and will continue to issue further communications regarding same.

Car Charging Stations

We are delighted to update you on the successful installation of two 150kW DC High Power Charging units and one no. 22kW AC charging unit.

We continue to be available to address any questions you may have, but in the interim, we hope you and your families are having a healthy and happy Christmas, and we look forward to seeing you all again when it is safe to do so.
